

Diagnostic Imaging Careers Virtual Info Session

Learn more about our career opportunities

Providence is excited to invite Diagnostic Imaging students and professionals from a wide variety of focuses to join us for a virtual info session. At our event you'll hear about what to expect when starting your career at Providence, our supportive culture, fantastic benefits package and growth opportunities. Our event will conclude with a Q&A session, so be sure to come prepared with any questions about careers with us.

Thursday, April 25, 2024 | 1 – 2:30 pm Pacific | Virtual
